Next year (May 2013), our 8<sup>th</sup> grade students will have the opportunity to travel to Washington D.C., for a unique learning experience beyond the classroom. In order to plan the best experience for our students and ensure every student is able to attend, we will be holding an information session to discuss what this trip will entail.

The students' all-inclusive travel program will be arranged through World Strides, a renowned educational travel company used by numerous schools in the Chicagoland area. The upcoming information session will be hosted by Neil Steinken, our Educational Travel Specialist from World Strides. Mr. Steinken will provide parents with detailed information about our proposed trip including trip itinerary, transportation, safety, scholarships, and fundraising.

Please join us on February 7th, as we begin planning this exciting adventure for our students.

Any questions/concerns, please contact Kathryn Beck at 773-534-5649 or kebeck@cps.edu.
